Support the AEP San Francisco Bay Area Chapter Student Scholarship Fund by attending the holiday party

This year the San Francisco Bay Area Chapter was able to award two undergraduate and two graduate students interested in pursuing careers in the environmental profession with scholarships of \$1,000 each.

With your help we will be able to continue this program in 2012.

We are requesting a sliding scale donation of \$20-40 per person.

100% of proceeds from the holiday party donations will support the 2012 Student Scholarship Program.
