

**Learn About the Basics of CEQA – Thursday, November 1<sup>st</sup>, 8:30 – 4:30**

On behalf of the California Chapter of the Association of Environmental Professionals (AEP), Christopher A. Joseph & Associates (CAJA) - Environmental Planning & Research will be hosting the 2007 California Environmental Quality Act (CEQA) Basics Workshop on Thursday, November 1st from 8:30 AM to 4:30 PM in Petaluma. This full-day workshop is designed to provide the "Nuts and Bolts" of CEQA to address the needs of new CEQA practitioners or those looking for a quick refresher on CEQA fundamentals. The workshop program consists of curriculum developed specifically for consultants and planners, as well as state and local government and regulatory agency staff. CEQA practitioners will present current information in a panel format with time for audience questions. Panelists include veteran CEQA experts, Thomas Jacobson (SSU), Rob Carnachan (CAJA), Pat Collins (Winzler & Kelly), Jennifer Buckman (Best, Best & Krieger) and Tiffany Wright (Remy, Thomas, Moose & Manley). Topics will include a discussion of 2006 CEQA court decisions, recent CEQA Guidelines changes, updates on recent legislation, and practical applications.

Workshop Location:

Petaluma Community Center at Lucchesi Park

Conference Room A-D

320 North McDowell Blvd.

Petaluma, CA 94954

This is an excellent opportunity to augment your CEQA skills with the most current information available. The registration fee includes course materials, which will be provided at the venue. Early registration is recommended to secure your reservation, as space is limited to 100 participants. For additional information and/or to register, log on to AEP's web page (<http://www.califaep.org/>) or call 916-737-AEP1 (2371).

CAJA cannot process registration applications or accept fees, but please do not hesitate to contact Terri McCracken ([terri.mccracken@cajaeir.com](mailto:terri.mccracken@cajaeir.com)) or Jennie Anderson ([jennie.anderson@cajaeir.com](mailto:jennie.anderson@cajaeir.com)) with any other workshop related questions.
