

Hello to the AEP SF Chapter Membership,

I'm writing to tell you about a mixer we have coming up on Friday, November 12th at E&O Trading Company. This will be a cash bar and we will be welcoming your California AEP State Board to San Francisco. The State Board meets bi-monthly throughout the state to discuss chapter and organizational activities, organizational management, financials, and other updates going on in our environmental community. Because they are donating their time, we want to give them a fun welcome to the city.

Also invited are the three Student Scholarship Winners, Gwen Conahan from San Francisco State, Napallo Gomez-Somer from the University of San Francisco, and Liz Parissenti from Stanford. Thank you to all of you who have contributed to the Student Scholarship fund. It has been a huge success. You can read more about the students at <http://www.sfbayaep.org/students.htm>.

Please join the State and Chapter Board members and the student scholarship winners from **6 pm to 7 pm** on **Friday, November 12th** at **E&O Trading Company** in the financial district of San Francisco.
